**AMENDMENT**

Assistant Commissioner for Patents  
Washington, DC 20231

Sir:

In response to the office action of 21 October 2002 regarding the above-identified application, Applicant submits the following amendment:

**IN THE CLAIMS**

Please amend the claims to read as follows:

1. (Amended twice) A method for determining the performance of a data processing system wherein processing is started by a first data processing device and finished by a second data processing device which may have separate clocks that are not synchronized, the method
